

## Tobruk St Primary School OSHC

### “Come and join us in 2016”

After The Bell strives to provide high quality care practices for families and children that utilise our After School Care program at Tobruk St Primary School. We aim to provide families, the school and wider community with an affordable, quality children’s OSHC service.

#### Program

Our programs are inclusive of all children and families; including cultural, linguistically diverse and various socio-economic backgrounds. We value the importance of play by providing creative and stimulating activities in a well-supervised and caring environment. We support the growth and development through middle childhood in this environment by creating a culture where children are respected and feel safe. We value this stage of growth and development as an opportunity to further explore and develop life skills where children can reach their own individual potential. While having fun they will form friendships that will last a life time.

#### Nutrition

We value the importance of children’s healthy eating choices. At After The Bell children are provided with a healthy nutritional breakfast and afternoon snack each session. Children have input into the program menu, whilst learning the value of good healthy choices.

#### Educators

Each day is an adventure and our Educators help your children create new memories. Our dedicated, trained, qualified Educators have the skills and abilities to ensure your child’s time at the program is rewarding as well as memorable, but foremost making sure your child is always having a fun time.

#### Prep Transition

At After The Bell Aus we dedicate our time to assist in a smooth transition for all prep children. This is achieved by an OSHC Educator escorting your child/children from the program to their classroom (Before Care) and an Educator escorting your child/ren to the OSHC program (After Care) each day, until your child/ren is settled and can attend the program independently.

Parents and children are encouraged to visit the program and meet the Educators as part of their child/children’s induction and orientation process. All prep children will be assigned an ‘Educator buddy’ to help them feel comfortable and become a member of the Tobruk St Primary School OSHC program.

	<h3>Session Information</h3> <p><b>After School Care</b> <b>3.00pm till 6.00pm</b></p>	
---	--	---

For session pricing and information regarding CCB/CCR Rebates please call our office **9758 6744** or visit our website.

If you have not yet registered for the Federal Government’s Child Care Rebate, or if your family situation has changed, we recommend you register, as nearly all families are eligible to save at least 50% on the cost of child care.

\*Please visit the After The Bell website at [www.afterthebell.com.au](http://www.afterthebell.com.au) to set up an online account where you can complete an online Enrolment Form for your child/ren. Please note a printer and scanner is required to complete an online Enrolment.

Paper version is still available and can be printed from our website located under the Resource tab.

All payments are made using our Ezi direct debit system. Other fees and charges are located in the Parent Handbook

***If you have any further enquires please call our Melbourne Office on 9758 6744 and speak to our friendly staff.***
