

NEW SCHOOL PROGRESS NEWSLETTER

A new school is currently being built specifically for the merger of three local primary schools; Commercial Road Primary School, Morwell Primary School and Tobruk Street Primary School.

The new primary school is being constructed on the site of the former Morwell High school in the centre of the township of Morwell. Morwell is located 150 kilometres east of Melbourne within the City of Latrobe in Gippsland.

Below is a plan view of the site. Photos that show the progress of the new buildings will be added to this newsletter soon.
